Frank Castle, Punisher, was once a lieutenant of the marine. One day, during his vacation, he went on a picnic in the Central Park with his wife and two kids. But a tragedy was waiting there. His wife and kids witnessed a murder case and killed for that. He hated the gang that killed his family and all the criminals. When he escaped from the marine, the demon of vengeance, Punisher was born!

PUNISHER

Frank Castle is his real name. Ex. Lieutenant of US Marine. Though he was once an expert soldier and a nice husband, he changed since his family was killed being involved in the struggle among Mafia. He escaped from the Marine and decided to live as a merciless avenger. He fights with the crime organization utilizing all the skills he mastered as a soldier. He is absolutely cruel and shows no mercy to the criminals but protects the good citizen at any cost. He is the one who have seen the unlimited hells on earth and send the criminals to the hell! He is the Punisher!

NICK FURY

Ex. veteran soldier who has experienced many battlefields. The commander of international intelligence service "SHIELD" Ranked as a colonel. Having confidence in his fighting skills and war experience, he volunteers to be in the front line. He is a cool head and think logically. He can be so cruel if he feels it is needed to maintain the world's peace. This time he met Punisher while he was engaged in a mission exterminating the international crime organization and suggested him a joint force.
